

# B26 Thermo\* Platinum Resistance Thermometers

## PRT for MAT 4000 Mass Spectrometer

This 100 ohm platinum resistance thermometer for the Thermo 4000 replaces Thermo #00007-89210

Part No.	Thermo No.	Description	Price
PRT-1	00007-89210	PRT for Thermo 4000	

## PRT for MAT 5100 Mass Spectrometer

S.I.S. has changed the design of the PRT for the MAT 5100 slightly to help eliminate the common breakage problem where the leads enter the platinum resistance element. The 100 ohm PRT includes ceramic lead insulator.

Part No.	Thermo No.	Description	Price
PRT-3	10007-98020	PRT for Thermo 5100	

## PRT for Incos™ 50 Mass Spectrometer

This 100 ohm platinum resistance thermometer for the Incos 50 mass spec includes ceramic insulated leads as shown. Does not include connectors.

Part No.	Thermo No.	Description	Price
PRT-5	55000-60068	PRT for Thermo Incos 50	

## PRT for 4500 Thermospray

This 100 ohm PRT assembly has ceramic insulators on the leads and connectors for easy installation.

Part No.	Thermo No.	Description	Price
PRT-9	40062-60332	PRT for Thermo 4500 Thermospray	

## PRT for 4500/4600 Mass Spec.

This unit includes the 100 ohm platinum resistance thermometer, leads, ceramic insulator, and connectors. It is similar in design to the original 4500 platinum resistance thermometer.

Part No.	Thermo No.	Description	Price
PRT-2	40005-60230	PRT for Thermo 4500	

## PRT for TSQ70® Mass Spectrometer

This is the 100 ohm platinum resistance thermometer with ceramic insulated leads and electrical connectors for the Thermo TSQ70®.

Part No.	Thermo No.	Description	Price
PRT-4	70001-60087	PRT for Thermo TSQ70	

## PRT for Incos 50B and XL Mass Spec.

This 100 ohm platinum resistance thermometer, for the Incos 50B mass spec has ceramic insulated leads and push on connectors.

Part No.	Thermo No.	Description	Price
PRT-6	55000-60085	PRT for Thermo Incos 50B	

## PRT for 8200 Mass Spectrometer

This is a 50 ohm PRT assembly for use in the Thermo 8200 mass specs. It has ceramic insulators on the leads along with the connectors. A piece of copper foil is included for installation.

Part No.	Thermo No.	Description	Price
PRT-10	17617	PRT for Thermo 8200	

\*When "Thermo" is indicated, it is intended to imply "Thermo Fisher Scientific Corp"
