

# E38 SIS™ Fittings & Ferrules

## Nylon Column End Plugs

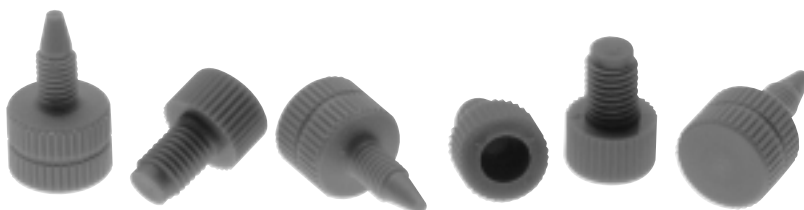

For 10-32 ports. Seal your unused columns against contamination or evaporation. These sturdy fingertight plugs are made to hold tight, even if you drop your column! Convenient flats for 5/16" wrench take the frustration out of removing a "stuck" plug.

Part Number	Description	Price pk/10
E450	Nylon Column Plug White	
E451	Nylon Column Plug Black	
E452	Nylon Column Plug Red	
E453	Nylon Column Plug Green	
E454	Nylon Column Plug Blue
