

S.I.S.™ All-In-One Two Stage Vacuum Pump Filter Kits F43

Alcatel Pump Filter Kit

For all Models of Alcatel Vacuum Pumps with NW25 Flange.

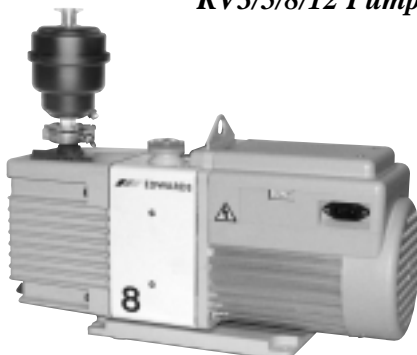

The Alcatel Vacuum Pump Kit (Kit FK101B) contains the SIS All-In-One Filter and the fittings shown below. This kit is all you need to install the All-In-One exhaust filter to your Alcatel vacuum pump. It can also be used with any other manufacturers pumps that have an NW25 flange type fitting on the exhaust port and is up to 12 SCFM output.

Kit Part # FK101B

BOC Edwards Large Filter Kit

For BOC Edwards Models E1M5/8/12, E2M3/5/8/12 and RV3/5/8/12 Pumps

The Pump Filter Kit for the BOC Edwards Pump includes the SIS All-In-One Filter and all fittings needed to attach this All-In-One Filter on the larger BOC Edwards vacuum pumps. This kit is to be used with BOC Edwards models E1M5/8/12, E2M2/3/5/8/12 and the RV3/5/8/12 vacuum pumps. It can also be used with any other manufacturers pumps that have an NW25 flange type fitting on the exhaust port.

Kit Part # FK201B
