

F44 S.I.S.™ Vacuum Pump Filter Kits

Alcatel Pump Filter Kit

For all Models of Alcatel Vacuum Pumps with NW25 Flange.

The Alcatel Vacuum Pump Kit (Kit FK101A) contains the SIS Oil Mist Eliminator, SIS Filter and the fittings shown below. This kit is all you need to install the complete two stage exhaust filter to your Alcatel vacuum pump. It can also be used with any other manufacturers pumps that have an NW25 flange type fitting on the exhaust port and is up to 12 SCFM output.

Kit Part # FK101A

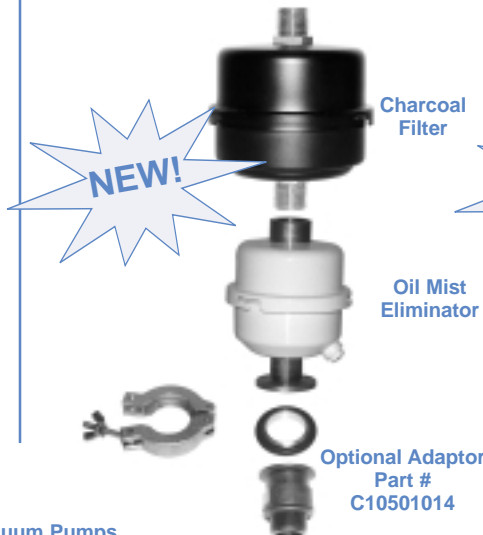

BOC Edwards Large Filter Kit

For BOC Edwards Models E1M5/8/12, E2M3/5/8/12 and RV3/5/8/12 Pumps

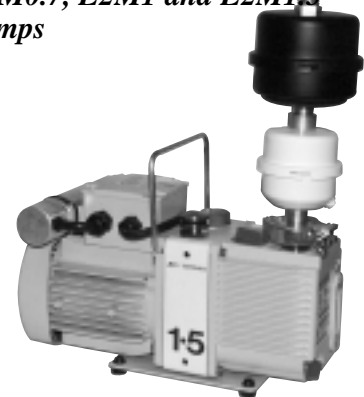

The Pump Filter Kit for the BOC Edwards Pump includes the SIS Oil Mist Eliminator, SIS Charcoal Trap and all fittings needed to attach this two filter system on the larger BOC Edwards vacuum pumps. This kit is to be used with BOC Edwards models E1M5/8/12, E2M2/3/5/8/12 and the RV3/5/8/12 vacuum pumps. It can also be used with any other manufacturers pumps that have an NW25 flange type fitting on the exhaust port.

Kit Part # FK201A

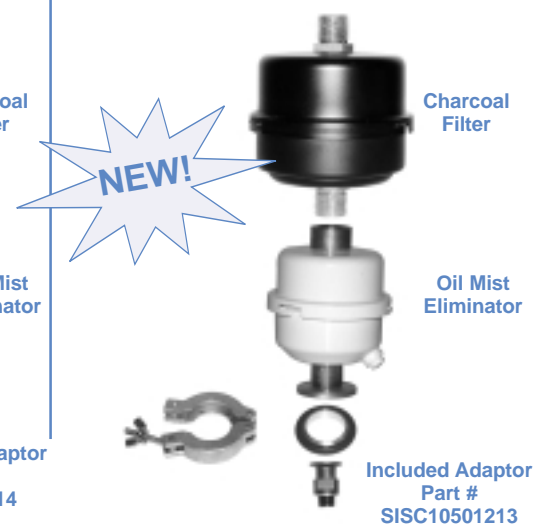

BOC Edwards Small Filter Kit

For BOC Edwards Models E2M0.7, E2M1 and E2M1.5 pumps

The Pump Filter Kit for the BOC Edwards Pump includes the SIS Oil Mist Eliminator, SIS Charcoal Trap and all the fittings needed to attach this two filter system on the BOC Edwards series of vacuum pumps. This kit is to be used with BOC Edwards models E2M0.7, E2M1 and E2M1.5 vacuum pumps. It can also be used with any other manufacturers pumps that have an NW10 flange type fitting on the exhaust port.

Kit Part # FK251A
