

Platinum Resistance Thermometer for Thermo Finnigan Incos 50 Mass Spectrometer

This 100 ohm platinum resistance thermometer for the Incos 50 mass spec includes ceramic insulated leads as shown. Does not include connectors.

| Part No. | Thermo Finnigan No. | Description | Price ea. |
|----------|---------------------|----------------------------------|-----------|
| PRT-5 | 55000-60068 | PRT for Thermo Finnigan Incos 50 | |

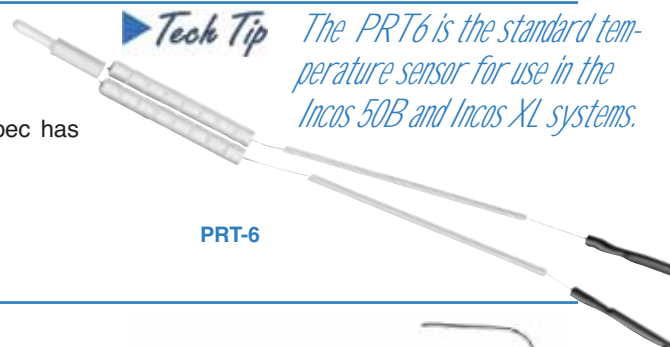

PRT-5

Platinum Resistance Thermometer for Thermo Finnigan Incos 50B and XL Mass Spectrometer

This 100 ohm platinum resistance thermometer, for the Incos 50B mass spec has ceramic insulated leads and push on connectors.

| Part No. | Thermo Finnigan No. | Description | Price ea. |
|----------|---------------------|-----------------------------------|-----------|
| PRT-6 | 55000-60085 | PRT for Thermo Finnigan Incos 50B | |

Tech Tip

The PRT6 is the standard temperature sensor for use in the Incos 50B and Incos XL systems.

PRT-6

Platinum Resistance Thermometer for Perkin Elmer Q-Mass

| Part No. | Description | Price ea. |
|----------|------------------------------|-----------|
| PRT-7 | PRT for Perkins Elmer Q-Mass | |

PRT-7

Platinum Resistance Thermometer for Agilent Technologies 5971 Transfer Line

This 100 ohm PRT assembly has high temperature fiberglass insulated leads and contacts for installation into the Agilent plug.

| Part No. | Description | Price ea. |
|----------|--|-----------|
| PRT-8 | PRT for Agilent 5971 GC/MS Transfer Line | |

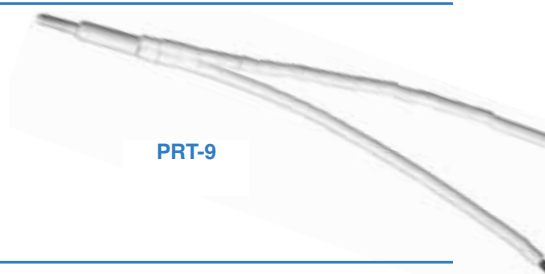

PRT-8

Platinum Resistance Thermometer for Thermo Finnigan 4500 Thermospray

This 100 ohm PRT assembly has ceramic insulators on the leads and connectors for easy installation.

| Part No. | Thermo Finnigan No. | Description | Price ea. |
|----------|---------------------|--|-----------|
| PRT-9 | 40062-60332 | PRT for Thermo Finnigan 4500 Thermospray | |

PRT-9

Platinum Resistance Thermometer for Thermo Finnigan 8200 Mass Spectrometer

This is a 50 ohm PRT assembly for use in the Thermo Finnigan 8200 mass specs. It has ceramic insulators on the leads along with the connectors. A piece of copper foil is included for installation.

| Part No. | Thermo Finnigan No. | Description | Price ea. |
|----------|---------------------|------------------------------|-----------|
| PRT-10 | 17617 | PRT for Thermo Finnigan 8200 | |

PRT-10

Platinum Resistance Thermometer for Kratos Mass Spectrometer

This is a 50 ohm PRT temperature sensor for use in the Kratos MS80 instruments. It has three inch leads.

| Part No. | Thermo Finnigan No. | Description | Price ea. |
|----------|---------------------|---------------------|-----------|
| PTF | 58455 | PRT for Kratos MS80 | |
